Harper Construction Co. Inc. received a \$32,477,776 firm-fixed-price contract from the U.S. Army.

The award will provide for the renovation services in support of the Training Barracks Upgrade Program at Fort Sill, Okla.

Work will be performed in Lawton, Okla., with an estimated completion date of March 31, 2013.

The bid was solicited through the Internet, with 11 bids received.

The U.S. Army Corps of Engineers, Tulsa, Okla., is the contracting activity (W912BV-11-C-0025).

Harper also received a \$68,696,948 firm-fixed-price Navy contract for the design and construction of two bachelor enlisted quarters at Marine Corps Base Camp Pendleton that will house a total of 860 Marines.

The contract also contains two planned modifications, which, if issued, would increase cumulative contract value to \$75,557,265.

Work will be performed in Oceanside and is expected to be completed by October 2013.

Contract funds will not expire at the end of the current fiscal year.

This contract was competitively procured via the Navy Electronic Commerce Online website, with 15 proposals received.

The Naval Facilities Engineering Command, Southwest, San Diego, Calif., is the contracting activity (N62473-11-C-0406).
